

Bible 101

Lesson 3 - Creation

Genesis 1:1-2:3; John 1:1-5

Genesis 1:1-3

1. Among other things, our universe consists of time, space, and mass. How does the first verse describe these three elements?
 2. Why is water created on earth at the beginning?
 3. Was the Spirit of God involved in creation?
 4. How does God create new things each day? What is the first action he takes?
-

Genesis 1:4-19

5. On day 2, what separated the waters from the waters?
 6. God first calls His creation “good” in verse 10. What has been created by this point? Does this happen on each subsequent day of creation?
 7. In verses 14-18, what other purposes are stated for creating greater & lesser lights?
-

Genesis 1:20-31

8. How does God bless the sea creatures and birds of the air (verse 22)?

Lesson 3 - Creation

9. Why does God use the pronouns “us” and “our” in verse 26?
 10. What unique distinctions are given to man when he is created? How are we unlike animals, according to this passage? (verses 26-28)
-

Genesis 2:1-3

11. Discuss what it means that God “sanctified” the seventh day and blessed it.
-

John 1:1-5

12. Who is the Word of God? Based on what you read in Genesis 1, how were “all things made through Him”?
13. Why do you think it’s important to state, “Without Him, nothing was made that was made”?
